

Privacy Policy

Good Food is a service provided by Zeon Global Technical Consult. The following terms you or user refer to each person visiting goodfood.ng. The terms we and our website refer to Good Food. Protecting your personal data is very important to us. By visiting our website, you provide us with some personal data. This policy explains how we use it. You can visit our website and explore it without providing us with personal data.

What information do we collect about you?

We only collect personal information from you when you order goods or services on our website, when you complete any customer survey, or through cookies.

We collect this information in order to enable orders, such as name, address, phone number, or payment information.

Notification and Location

Allowing notifications and access to your location is not necessary to visit our website, but mandatory in order to complete an order correctly.

How do we use the information we collect from you?

We collect and use your personal data on secured servers. We ask third organisms to check and certify our confidentiality principles.
